

FACULTY

Dr. Conrad Fischer is a celebrated educator and author of top-selling review books including the *Master of the Boards* series. Dr. Fischer serves as Program Director for Brookdale University Medical Center. He is also an Associate Professor of Pharmacology, Psychology and Medicine at Touro College of Medicine in New York City. Dr. Fischer also currently serves as the Chairman of Medicine for Kaplan Medical and had taught medical board review for over 21 years. Dr. Fischer recently won the Laureate Award from the NY Chapter ACP.

Dr. Christos Paras

received his DO in Osteopathic Medicine and is Board Certified in Internal Medicine, Endocrinology, Clinical Hypertension Diabetes and Metabolism. Dr. Paras is currently Assistant Program Director at Brookdale University Medical Center. Dr. Paras is also Endocrinology Faculty at Winthrop University Hospital in Mineola and an Assistant Professor of Medicine at the Frank

H. Netter School of Medicine at Quinnipiac in North Haven, CT. He has taught Medical Board Review programs throughout the United States and Canada and is an instructor for Kaplan's popular live, online review programs. Dr. Paras recently became a Fellow of the ACP and was awarded the Laureate Award from the NYACP.

Dr. Niket Sonpal is completing the third year of his GI Fellowship at Lenox Hill Hospital-Northwell Health in New York City. Dr. Sonpal is co-author for the best selling Master of the Boards USMLE Step 2 CK and Master of the Boards Internal Medicine. He has spoken to over 20 National and regional conferences.

Dr. Sonpal is Board Certified in Internal Medicine and is Chair of the Residents Committee for the NY Chapter American College of Physicians. Dr. Sonpal recently won the Laureate Award for the NY Chapter ACP in June 2016.

Learning Objectives

- Discuss the most up to date treatment methods, practices, and recent advances in Internal Medicine.
- Pass ABIM Board Certification and Recertification Exam.
- Identify shortfalls in the quality of care in the United States Healthcare system.
- Discuss how to make appropriate diagnostic and management decisions that have important consequences for patients.
- Examine core topics in internal medicine and the subspecialties through discussion of common and not-so-common clinical problems.
- Review techniques to guide you through difficult test questions logically and successfully.
- Implement changes in clinical practice in accordance with recent advances and clinical guidelines

Target Audience

- Physicians who will be taking the ABIM recertification exam
- Physicians who will be taking the ABIM Internal Medicine Certification Exam

CME STATEMENT
