Advocacy

Application Deadline for Doctors Across New York (DANY) Grants Has Been Extended

In response to input from our members and program directors, NYACP has worked with the NYS Department of Health to **extend the deadline for DANY grant applications and broaden eligibility criteria**. This is what has changed:

- The deadline to apply has been extended to **August 31, 2015**
- Individuals' **date of service obligation now can begin as late as August 1, 2016**. This allows current third year residents to apply if they begin their practice by August 1, 2016.
- Eligibility to be considered was extended back to **March 30, 2013 from July 2, 2013**.

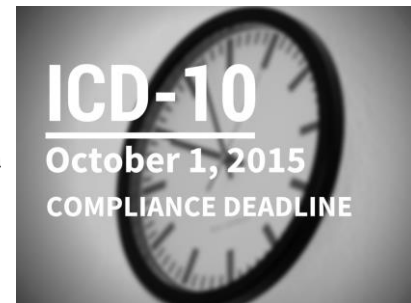

For more information on Doctors Across New York grant program and how to apply, [please visit our DANY Page](#).

Practice Management

New ICD-10 Resource Page

The implementation of ICD-10 begins on October 1, 2015. If your practice isn't prepared, time is running out! The NYACP has prepared a resource page for ICD-10 to assist practices with their transition. On the page you can find:

- **Latest updates from CMS:** All up-to-date CMS communications regarding ICD-10 can be found here.
- **Informative videos on ICD-10:** Over a dozen videos ranging from the basics of ICD-10 coding to getting your practice ready for the implementation date.
- **Webinar opportunities**
- **Resource links:** Links to CMS' "Road to 10", ACP resources, and other organizational efforts to prepare for ICD-10 all in one place!

Transitioning to ICD-10 Webinars

Webinar Dates

- **LAST CHANCE TO REGISTER!** August 6, 2015 (6:00 - 7:00 pm) - [Register Here](#)
- August 19, 2015 (12:00 - 1:00 pm) - [Register Here](#)

This webinar, presented by National Government Services, will provide Part B providers with an overview of ICD-10-CM and will assist you with planning for the mandated ICD-10-CM transition. This session will include testing opportunities and transition stages that will help you prepare your office for the upcoming implementation. **This is NOT a coding webinar.**

New Webinars on E-Prescribing!

These webinars will be conducted by the New York Chapter ACP with assistance from DrFirst and will focus on:

- Complying with New York State's mandatory e-prescribing deadline of March 27, 2016
- The positive aspects of e-prescribing
- DrFirst standalone e-prescribing software solutions and brief product demo

The same information will be presented at each of the five scheduled webinars. If you would like more information about DrFirst's standalone e-prescribing products (with discounted pricing available for NYACP members), please [click here](#).

Webinar Dates

Member Benefits

Free Access to DynaMed Plus for ACP Members!

As a benefit of ACP membership, ACP and EBSCO Health are collaborating to provide ACP members with free access to the most current, evidence-based clinical decision support tool -- DynaMed Plus[™]! Updated daily and analyzed systematically through the lens of an expert editorial team, DynaMed Plus provides relevant information in an easy to digest format for fast implementation at the point-of-care. Beginning in August 2015, ACP's staff physician Deputy Editor for Internal Medicine will work with the DynaMed Plus editorial team on internal medicine content. **This replaces ACP's Smart Medicine.**

Key Features:

- **Precise Search Results:** Use semantic search to deliver the most relevant search results every time.
- **Comprehensive Content:** Thousands of topics covering internal medicine, emergency medicine, cardiology, oncology, infectious diseases, obstetrics and gynecology and much more.
- **Overviews and Recommendations:** Concise, accurate overviews with evidence-based recommendations for action.
- **ACP Approved Content Marked with the ACP Logo:** ACP physician editors will begin providing oversight for internal medicine content.
- **Graphics and Images:** Over 4,000 with more than 1,000 from ACP
- **Expert Reviewers:** Content is created by a world-class team of physicians who are considered experts in their particular fields.
- **Mobile Optimized:** A user-friendly format for PC, smartphone, or tablet.
- **Complimentary Mobile App:** Access content offline, write and save notes, bookmark favorites and email topics.
- **Micromedex® Clinical Knowledge Suite:** Drug content from Micromedex including Medication Management, Medication Safety, IV Compatibility, and Lab Recommendations (select products only).
