

PARTNER WITH THE NYACP TO SUPPORT INTERNAL MEDICINE EDUCATION AND PRACTICE

...At the State, Regional, and Local Level

Why Partner with the New York Chapter ACP?

- Gain access to 11,000+ physician members practicing general and specialty Internal Medicine.
- Target physicians in your desired local demographic within our 5 Regions and 16 Districts.
- Enhance the quality and effectiveness of health care by supporting programs that foster excellence and professionalism in the practice of medicine.

Collaborate. Support. Market.

We invite you to explore how your company or organization can collaborate, sponsor, co-sponsor or support any of the unique educational opportunities that New York ACP offers its members.

Educational Opportunities:

- Clinical Updates
- Practice Management Topics
- Public Policy issues
- Young Physician Activities
- Special Events for Residents and Medical Students

Types of Learning Environments:

- Online learning programs
- Face-to-face physician meetings
- Focus Groups
- Local and/or Regional Seminars
- Plenary sessions
- Many other unique physician learning opportunities
