## *Quality & Clinical Committee*

---

---

### **GOAL:**

To develop, implement and advise on regional performance measurement program to support pay for performance, public reporting and other quality improvement initiatives of the THINC RHIO across the Hudson Valley.

### **ACTIVITIES:**

- Determine and prioritize regional performance measures for pay for performance, public reporting and other quality improvement initiatives that are consistent with national and state measures. The starting point will be ambulatory clinical measures for pay for performance.
- Determine the clinical requirements for a regional performance measurement system. The performance measurement system will report data in a standardized fashion to payers, including Medicare and NY Medicaid to the extent practicable, as well as other public reporting bodies or accrediting organizations as necessary.
- Develop standardized and precise data collection and reporting capabilities for agreed up measures and drive consistency with vendors for uniform measurement and reporting.
- Develop and implement payment incentives as part of the THINC RHIO pay for performance program.
- Determine the payers' requirements for the reporting aspects of the regional performance measurement system.

### **COMMITTEE COMPOSITION:**

- Community physicians
- Hospital CMOs/Medical Directors
- Payer CMOs
- Quality Measures experts.

The chair of this committee is Dr. Gregory Spencer. The committee is advised by the Executive Director of THINC RHIO and Dr. John Blair (CEO, MedAllies.)
