NYACP Member Action Alert Notice

As we head toward the April 1st deadline for passage of the NYS Budget, NYACP is actively collaborating with MSSNY and our medical specialty colleagues on a number of issues impacting the practice of medicine.

Watch for an ACTION ALERT from NYACP with directions on how you can add your voice and weigh in on issues impacting physicians proposed as part of the NYS budget.

The ACTION ALERT will ask you to help NYACP oppose the disclosure of complaints filed against physicians with OPMC prior to adjudication, extend the Medical Excess Liability Program, oppose Medicaid cuts, support regulation of pharmacy benefit managers, and support the prohibition of sales of flavored tobacco.
