ACP Supports National Physician Suicide Awareness Day September 17

ACP is an official supporter of the Council of Residency Directors in Emergency Medicine (CORD) effort to help spread awareness about the issue of physician suicide. CORD is leading a collaborative effort with ACP and other medical organizations to encourage grassroots activities around National Physician Suicide Awareness Day (NPSA) on September 17. This year's theme is *One of Us* in recognition that suicide can affect us, our friends, and colleagues. Follow the hashtag, #NPSAday on social media.

[CORD's resources](#) include a curriculum, podcasts, videos, and articles. CORD's Vision Zero statement calls on individuals, residency programs, health care organizations, and national groups to make a commitment to break down stigma, increase awareness, open the conversation, decrease the fear of consequences, recognize warning signs, and learn to approach colleagues who may be at risk.

Through [ACP's Physician Well-being and Professional Fulfillment initiative](#), ACP continues to work to address the root causes that affect physician professional fulfillment and well-being and also features COVID-19 Well Being Resources.

NYACP Virtual Story Slam - Call for Member Stories

Topic: My Experience with Unconscious Bias in Healthcare

Event Date: October 28, 2020

Submission Deadline: September 23, 2020

Submission Form: <https://www.nyacp.org/i4a/forms/index.cfm?id=418>

Story Slam Tips: <http://thenocturnists.com/what-we-are-looking-for>

The District Presidents in NYACP's Hudson Valley Region invite you to [join them on October 28, 2020](#) to discuss areas of unconscious bias to create additional awareness and change to dispel implicit bias.

The event will open with a short Story Slam about experiencing the effects on Unconscious Bias. We encourage you to share how you have experienced unconscious bias in healthcare. [Please submit your story by September 23, 2020](#). Those selected to tell their story will be notified by the Chapter prior to the event.

SAFE VOTING IN 2020

"The goal of the rollout is to get people engaged in normal activities...I have found over the years, especially in the elderly population, the ability to vote via absentee ballot made them feel better. They still were contributors to society."

- John Maese, MD, MACP, Volunteerism Task Force Chair

Q: What happens when one physician initiates a program to help his patients vote?

A: Thousands of colleagues join him to help their patients too.

The NYACP Volunteerism Task Force invites you to be part of a nationwide, non-partisan initiative to help patients register to vote and/or obtain an absentee ballot. Voting in New York just got easier thanks to quick action by NYS government leaders.

Dr. Alister Martin, a practicing physician at Massachusetts General Hospital, initiated a program to help his patients register to vote and, if needed, obtain absentee ballots. Dr. Martin's www.vot-ER.org program is available to all physicians free of charge. It provides a one-stop location for patients register and request an absentee ballot if they choose to not vote in person on election day.

Members in the News:

Maria Carney, MD, FACP, Chapter President penned an op-ed with her colleague, Humayun Chaudhry, MD, MACP in the *New York Daily News*: [A Tale of Two Pandemics](#)

[IMPORTANT REMINDER: All NYS Prescribers Must Renew Mandated Training in Pain Management, Palliative Care and Addiction by October 1, 2020 - Visit the NYACP Website Today](#)

The updated NYACP/BU 3-hour **online** pain course is available to all NYS licensed prescribers, and it fulfills NY mandated training in pain management, palliative care and addiction as required by NY Public Health Law Section 3309-A.

The 2-hour BU *Scope of Pain* course is free, and the 1-hour NY-Module (“*Managing Pain and Opioid Use: An Educational Program on Compliance with New York State Prescribing Laws*”) is \$20. The NYACP fee mitigation policy for ACP resident members remains in place, as previously circulated to all internal medicine program directors. **3 AMA PRA Category 1 Credit(s)[™] / 3 ABIM MOC Points**

Detailed information is contained on NYACP's [website](#), or you can [begin the course](#) now. The Chapter is addressing questions and/or technical assistance matters by emailing info@nyacp.org.
