

## FACULTY

### **Conrad Fischer, MD, FACP**

Dr. Conrad Fischer is an award-winning medical educator, Associate Professor of Medicine at Touro College of Medicine in New York City and a public health advocate. He is the most prolific author of clinical textbooks in USMLE and COMLEX in the world! Over the last 25 years, there are 500,000 books in print authored by Dr. Fischer. Dr. Fischer is the Residency Program Director at Brookdale Hospital Medical Center in Brooklyn. Dr. Fischer recently won the Laureate Award from the NY Chapter ACP.

### **Christos Paras, DO, FACP**

Dr. Christos Paras has taught USMLE Step 1, 2, 3 and Internal Medicine Board Review Courses for over 10 years. Dr. Paras received his DO in Osteopathic Medicine from the New York College of Osteopathic Medicine. He is Board Certified in Internal Medicine, Endocrinology, Diabetes and Metabolism. He is also a Board Certified specialist in Clinical Hypertension. Dr. Paras is the Associate Program Director in Medicine at Brookdale Hospital Medical Center. He is also an Assistant Clinical Professor of Medicine at Touro College of Osteopathic Medicine in New York City as well as assistant professor of medicine at NYIT COM. He has taught medical board review programs throughout the United States and online. Dr. Paras was awarded the Laureate Award from the NYACP.

### **Niket Sonpal, MD, FACP**

Dr. Niket Sonpal is a Gastroenterologist and Associate Program Director of the Internal Medicine Residency at Brookdale Hospital Medical Center in Brooklyn! He was Chief Resident at Lenox Hill Hospital – Northshore LIJ Health System and is the co-author for the best-selling Master the Boards: USMLE Step 2 CK and Step 3 books. He has been teaching USMLE, COMLEX and ABIM courses for more than ten years and is a fellow of the American College of Physicians. Follow Dr. Sonpal on Twitter @nsonpal! Dr. Sonpal recently won the Laureate Award for the NY Chapter ACP.

## **Learning Objectives**

- Discuss the most up to date treatment methods, practices, and recent advances in Internal Medicine.
- Pass ABIM Board Certification and Recertification Exam.
- Identify shortfalls in the quality of care in the United States Healthcare system.
- Discuss how to make appropriate diagnostic and management decisions that have important consequences for patients.
- Examine core topics in internal medicine and the subspecialties through discussion of common and not-so-common clinical problems.
- Review techniques to guide you through difficult test questions logically and successfully
- Implement changes in clinical practice in accordance with recent advances and clinical guidelines

## **Target Audience**

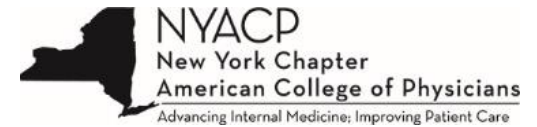

- Physicians who will be taking the ABIM recertification exam
- Physicians who will be taking the ABIM Internal Medicine Certification Exam
