

## **NYACP is now accepting teams for the 2024 Dr's Dilemma Competition!**

### **Virtual Preliminary Round- First Week in June.**

The preliminary rounds of the NYACP Dr.'s Dilemma will be held virtually during the first week of June. The final round is scheduled for Saturday, October 26<sup>th</sup>, at the NYACP Scientific Meeting, Westchester Marriott Hotel in Tarrytown, NY.

Each Program Director or a faculty member is asked to submit 5 questions for the preliminary rounds. It is emphasized not to delegate this task to residents to maintain fairness among teams. The questions and answers should be submitted through the registration link provided below by April 1, 2024.

#### **To Compete:**

- Register by April 1, 2024.
- All team members must be ACP Members.
- Submit 5 questions in one category (on registration form).
