As we put 2020 in the rearview mirror and look forward to a brighter 2021, especially with the COVID vaccine on the way and optimism for a healthier future, the Chapter would like to help you navigate the resources available to you on the Chapter's COVID-19 Resource page. With one click, you can find up-to-date information on vaccine related information and notes from the Governor's Daily Updates. We have included pertinent links from ACP, NYS DOH, the Federal Government and more!

New York State Chapter American College of Cardiology Mentorship Program (NYACC)

The NYACC Diversity and Inclusion (D & I) Task Force has launched a Mentorship Program for residents and hospitalists interested in pursuing a career in cardiology. These mentees will be paired up with more seasoned cardiologists in an effort to build stronger pipelines into the cardiovascular profession. Program participants will be offered the opportunity to present a capstone project, such as a case study or an abstract, with their mentors in conjunction with an NYACC-sponsored event.
