

Megan R. Gerber, MD, MPH, FACP is an academic general internist and nationally-recognized expert on intimate partner violence detection and response in medical settings and trauma-informed care. Dr. Gerber is the editor of the textbook, *Trauma-informed Healthcare Approaches: A Guide for Primary Care* (Springer, 2019). A native New Yorker, Dr. Gerber joined the faculty at Albany Medical College in June, 2021 as Division Chief of General Internal Medicine, Vice Chair of the Department of Medicine for Faculty Development and advising dean. Dr. Gerber has continued her affiliation with the Veterans Health Administration where she has held regional and national leadership roles in Women's Health.
