Attention NYC-based Primary Care Practices: Receive a Full-Time Behavioral Health Clinician at No Cost from the NYC Department of Health and Mental Hygiene

NYC-based primary care practices can improve their quality performance and patient engagement measures by participating in the ThriveNYC Mental Health Service Corps (MHSC), sponsored by the New York City Department of Health and Mental Hygiene.

If you qualify, your practice will receive a full-time, early-career social worker or mental health counselor to help manage depression, anxiety, substance use, and other common chronic conditions seen in your practice.

New York Chapter Comments on ACP Social Determinants of Health Policy Paper

On June 1, 2018, NYACP's Board reviewed ACP's Policy Paper on Social Determinants of Health that was previously published in the Annals of Internal Medicine. Chapter leaders discussed and provided additional thoughts for ACP to further consider this important issue.

The New York Chapter concurs with ACP's belief that understanding and addressing social factors that affect health outcomes is a pressing issue for physicians in the communities they serve. We applaud this ACP paper and have suggestions for consideration.

2017 MIPS Performance Feedback and Payment Adjustment Update

If you submitted 2017 Merit-based Incentive Payment System (MIPS) data through the [Quality Payment Program website](#), you can now view your performance feedback and MIPS final score.

CMS originally displayed a single payment adjustment amount, but based on feedback now it includes MIPS payment adjustments, and if applicable, additional adjustment for exceptional performance.

Career Link

Excellent NP/PA Options in New York!

Rome, NY: With current practice opportunities located in Rome, NY, Rome Memorial Hospital and Rome Medical Group have tremendous career options for Advanced Practice Providers (NP/PA) to join their team in providing a high level of quality and compassionate health care.

Highlights include:

- Employment model - no business/management hassles within your practice
- Variety of settings and locations available - outpatient only • Excellent practice facilities providing on-site lab, x-ray, EMR, PACS and loyal, hard-working staff
- Convenient Care offered to patient base for immediate care needs at RMG
- New York Medical College establishing extended campus for their primary care training programs providing teaching options to local physicians
- Great benefits offering and rewarding compensation structure Within the City of Rome's boundaries you can find history, art, culture, and nature.

Recreation opportunities are plentiful with the Mohawk River Trail connecting Rome's waterfront, historical sites, commercial districts, local schools, parks, the Griffiss Business and Technology Park, and residential neighborhoods, all while offering a unique multi-use trail recreational experience. Delta Lake State Park is located just north of the city offering endless activities in all four seasons with a boat launch, beach, campground, and all season fishing. With a population of 34,000 and a service area well over 85,000, the City of Rome and Oneida County is the place where families raise generations to live, work, and call home.
