What is Buprenorphine Waiver Training?

The PCSS-MAT Half-and-Half Medication Assisted Treatment (MAT) waiver training course provides an overview of the FDA-approved medication—buprenorphine—prescribed for the treatment of opioid use disorder (OUD). This course provides the required 8-hour training to prescribe buprenorphine for the treatment of OUD. The course provides an overview of prevention, identification, and treatment of substance use disorders emphasizing OUD.

Half-and-Half Course

Under current regulations, authorized practitioners (MDs, DOs, NPs & PAs) are required to obtain a 'waiver' to prescribe buprenorphine. To acquire this waiver, physicians are required to complete a standardized buprenorphine waiver 8-hour training. Nurse Practitioners (NPs) and Physician Assistants (PAs) are required to complete the standardized buprenorphine waiver 8-hour training as well as an additional 16 hours of online training as established by the Comprehensive Addiction and Recovery Act (CARA). Residents may also take the course and apply for their waiver once they receive their DEA license. The buprenorphine waiver 8-hour training is offered in a 'half-and-half' format [4.5 hours of in-person training followed up by 3.5 hours of online training] through PCSS-MAT. Upon completion of the required training, providers will meet the requirement of the DATA 2000 to apply for a waiver to prescribe buprenorphine for opioid-dependent patients.

Please contact the NYSDOH, AIDS Institute for obtaining your waiver buprenorphine@health.ny.gov

Faculty/Trainers:

Kelly Ramsey, MD, MPH, FACP

Hudson River Healthcare, Poughkeepsie, NY

Samara Gabree, NP

Catholic Charities, Albany, NY

Who is this for?

Physicians, Nurse Practitioners, Physician Assistants, and Residents. Registered nurses, other nurses, pharmacists and dentists are welcome to attend.

PCSS-MAT Training Information

PCSS-MAT has a comprehensive library of materials available at no cost, created to give providers' confidence in preventing and treating these medical disorders. PCSS-MAT also provides a no-cost clinical coaching/mentoring program to help primary care providers in their ability to address these concerns. For more information, visit

www.pcssmat.org

CME Accreditation

Physicians, Nurse Practitioners and Physician Assistants

The University of Rochester School of Medicine and Dentistry designates this live activity for a maximum of 4.50 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity. The University of Rochester School of Medicine and Dentistry is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

This activity has been planned and implemented by the NYSDOH, AIDS Institute in accordance with the accreditation requirements and policies of the American Academy of Addiction Psychiatry and in partnership with NYACP.

Disclosure of Support

Funding for this initiative was made possible (in part) by grant nos. 5U79TI026556-02 and 3U79TI026556-02S1 from SAMHSA. The views expressed in written conference materials or publications and by speakers and moderators do not necessarily reflect the official policies of the Department of Health and Human Services; nor does mention of trade names, commercial practices, or organizations imply endorsement by the U.S. Government. American Academy of Addiction Psychiatry is the DATA 2000 sponsor for this training.
